

## **PROJECT TITLE:**

**WOZTI**

Comic Reader App

## **ABSTRACT:**

The project is entitled as “**Wozti Comic Reader App**”. Wozti is an android application that helps people read comic books. The world we are living is a fast spaced environment. People want to have access to almost everything at their fingertips. Digital Comic may also help people develop the reading skills required to comprehend texts with higher levels of difficulty. Wozti hence brings you the joy of reading at your comfort. Carrying a hard copy of a book is tiresome. This application allows readers to read comics. This app provides different genres to satisfy every customer. With its offline feature, Wozti helps readers to binge read anywhere at any time.

# THE KILLING JOKE

"I loved THE KILLING JOKE...  
It's my favorite. It's the  
first comic I've ever loved."
