From the Middle East to our very own Eastern borders, flavors of kebabs are distinct and there is a specific favorite for every one of us. We have picked the best recipes, mixed the most flavorful ingredients, retained the secrets of the marinade and put it all in one place called "Kebab-istaan" - a one-of- a-kind family restaurant serving a wide assortment of veg, chicken, mutton and fish kebabs. Our menu consists of scrumptious variety of dishes, starting from Kebabs, biryani, mandi , premium grills, platter, pulao, salads and rolls. Coming from the stable of Kavi Group, with over 20 years of experience in running food retail businesses in South India, we bring a unique passion of providing tasty, high quality food to the market. The feast of North, now in South. Chai Talkies, a unit of Kavi Groups is for every Tea lovers . Chai Talkies is a spot where they meet people, converse, make their choices and have lot of fun with our cup of chai. We serve Milk Chai, Herbal Infusions, Iced Teas, Natural Fines, Breakfast, Bites and Fried Items. Our Mission is a simple one, to be the best chai shop and provide best world class chai experience at affordable prices. A person with a cup of tea is a neighborhood the next time. Come visit us. Lets Sit and Talk ..!!! Personal Information Meat and Eat is a farm to fork Indian chain of quick service (QSR) and family restaurants serving fresh and hygienic veg and non-veg fast food options to customers. Started in 2013, Meat and Eat fine-tuned the operations in the areas of products, delivery, restaurant layout, franchisee model, advertising and marketing strategy etc., within 6 months, hence being able to bring consistency across all franchises.
