About

About Book My Movie

Today everyone wants more ease, more convenience people do not want to stay in the queue and book their tickets for the movie. With take advantage of that tendency myself develop an online movie ticket booking app. This app enables users to book their movie tickets online without losing much of the time. They can book their movie tickets online with a single tap. My online movie tickets booking application provides you a better understanding of latest and upcoming movies in the theater.

This app also highlights various offers of online movie tickets booking. Users can easily choose the movie among the various movies List. Users can also drop their views and ratings. One can also select his/her convenient theater. This online movie tickets' booking app books users movie tickets at time they want, at the place they are, for a movie they want to watch.
