

PROJECT TITLE: FOOD DONATION APP

ABSTRACT:

The project is entitled as “**FOOD DONATION APP**”. The main objective of this project is to provide the easiest way to **DONATE** the **FOOD** on the online. This project is convenient for poor people. Food donation app can be the most beautiful ideas for apps to introduce a startup. After that can arrange a method to distribute that food in a few hours to poor and needy people. It is a great cause to step into it and help others. With this service, you are saving food from getting wasted and helping a lot of poor people from starving.
