Beauty is a balance between shape and volume.
Beauty stimulates an esthetic feeling within us, pleasing to the eye, a sense of admiration...

Beauty is a combination of qualities such as form, proportion, and color in a human face (or other object) that delights the sight.

Use the correct cleanser for your skin type.

Donot use too many products.

Moisturize both day and night.

Donot touch your face.

Hydrate inside and out.

Avoid direct heat exposure.

Exfoliate a couple times per week.
