

## PROJECT TITLE: GRATEFUL GIFTS

### ABSTRACT:

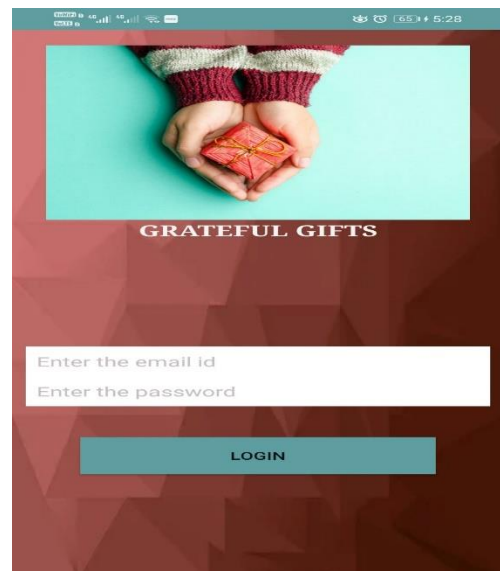

This project is entitled as “**GRATEFUL GIFTS**”. This application is aimed to develop an online blood and hair donating app. It mainly focuses on to connect the donators with the nearest appropriate needy person through social media application. It is a combination of both blood and hair donate app. In this app. It makes it easy to give information regarding the blood type and hair inches. This app allows the user to register themselves the information and only main information will be shared and exchanged. It makes the searching process easy and is being done faster and reliable. It is aimed to help and save the people who are in need without wasting any time.

## Your Trusted Organization to Donate Hair

Our Mission: Helping Children Look Themselves and Live Their Lives

---

We are still accepting hair and financial donations. We are following all public health and safety guidelines.

We have reduced staffing and limited volunteer support during this time. Thank you for your patience and perseverance as our processing times may take longer than usual. The staff is working very hard to meet your needs and respond to all inquiries.

We thank you for your continued support in this time of crisis and hope you and your families stay safe and healthy.

---

For over 30 years, Wigs For Kids has been providing Hair Replacement Systems and support for children who have lost their hair due to chemotherapy, radiation therapy, **Alopecia**, **Trichotillomania**, burns and other medical issues at no cost to children or their families.

---

The effects of hair loss go deeper than just a change in one's outward appearance. Hair loss can erode a child's self-confidence and limit them from experiencing
